# CHAMPAGNE

---

MAISON FONDÉE EN 1776

## LOUIS ROEDERER CHAMPAGNE

Louis Roederer is one of Champagne's most famous houses, founded in 1849 in the city of Reims and it remains one of the few independent and family run Maisons de Champagne. Its house style is known for being consistently refined and elegant.

The Collection is a non-vintage Champagne combining at least four vintage wines in a blend of 40% Pinot Noir, 40% Chardonnay and 20% Pinot Meunier, the three main grape varieties allowed in the composition of Champagne, coming from more than fifty different crus. The inclusion of reserve wines roughly 20% matured in oak casks for several years gives the complexity and roundness characteristic of Louis Roederer's champagnes.
